CBD Lemon Ginger

10mg CBD per serving. 10 servings/gumdrops per box.

Some days call for clarity, and clarity alone. Our all-CBD flavor is a refreshing, portable dose of “aaaaah,” the layers of the lemon flavors complemented by sweet, soothing ginger spice. Made with East Fork Cultivar’s Ringo’s Gift distillate CO₂ oil.

10 pack \$9.25 • 2 pack \$3.00

2:1 Tart Cherry

5mg CBD + 2.5mg THC per serving. 10 servings/gumdrops per box.

The touch of THC in the CBD-dominant recipe provides a pleasant lift without leaving you afraid of heights. Initially tart and fruity, the flavor eases into a deeper, rich burst of Morello cherries. Made with Prüf Cultivar’s Astral Works distillate CO₂ oil.

10 pack \$7.50 • 2 pack \$2.50

1:1 Strawberry Basil

5mg CBD + 5mg THC per serving. 10 servings/gumdrops per box.

A balanced, quality combination of a THC-dominant strain and a CBD-dominant strain is the trick to delivering a range of cannabinoids with the biggest impact. This dynamic duo comes together for a peppery, grown-up take on the classic strawberry flavor. Made with Prüf Cultivar's Strawberry Cough and East Fork Cultivar's Ringo's Gift distillate CO₂ oil.

10 pack \$9.25 • 2 pack \$3.00

THC Triple Berry

5mg THC per serving. 10 servings/gumdrops per box.

Fruit forward! Juicy, red raspberry notes, sweet strawberry, and a bold blackberry finish: the ultimate fruit chew to rule them all. Made with Prüf Cultivar's Banner distillate CO₂ oil.

10 pack \$7.50 • 2 pack \$2.50

THC Spicy Passionfruit

5mg THC per serving. 10 servings/gumdrops per box.

What makes a 5mg, THC-dominant edible stand out? A unique flavor combining sweet and heat with a culinary flourish. The tangy passionfruit slowly reveals a hint of Thai chili spice, leaving you with just enough warmth. Made with Prüf Cultivar's G Krush distillate CO₂ oil.

10 pack \$7.50 • 2 pack \$2.50
